Patients who are enrolled in a state or federally funded prescription insurance program are not eligible for this offer. This includes patients enrolled in Medicare Part D, Medicaid, Medigap, Veterans Affairs (VA), Department of Defense (DoD) programs or TRICARE, and patients who are Medicare eligible and enrolled in an employer-sponsored group waiver health plan or government-subsidized prescription drug benefit program for retirees. This offer is not insurance and is restricted to residents of the United States and Puerto Rico.

TERMS OF USE: Eligible commercially insured/covered patients with no restrictions (step-edit, prior authorization, or NDC block) and a valid prescription for BRILINTA® (ticagrelor) tablets who present this savings card at participating pharmacies may pay as low as $5 for each 30-, 60-, or 90-day supply, subject to a maximum savings of $200 per 30, $400 per 60, or $600 per 90-day supply. Patient out-of-pocket expenses may vary. If you are insured and your insurance does not cover or has a managed care restriction on your prescription (step-edit, prior authorization, or NDC block), patient out-of-pocket expenses may vary based on the day supply. Other restrictions may apply. Patient is responsible for applicable taxes, if any. Non-transferable, limited to one per person, cannot be combined with any other offer. Void where prohibited by law, taxed or restricted. Card savings are not valid for: Massachusetts residents if an AB-rated generic equivalent is available; California residents if an FDA-approved therapeutic equivalent is available. Patients, pharmacists, and prescribers cannot seek reimbursement from health insurance or any third party for any part of the benefit received by the patient through this offer, including flexible spending account or healthcare savings account.

Maximum Savings Limit, Total Program Benefit, Benefits May Change, End or Vary: The program provides up to a **Maximum Savings Limit** of assistance to reduce a patient's out-of-pocket medication costs that AstraZeneca will provide per patient for each use, which must be applied to the patient's out-of-pocket costs (co-pay, deductible, or co-insurance). **Total Program Benefit** amounts are unilaterally determined by AstraZeneca in its sole discretion and will not exceed the Maximum Savings Limit. The Total Program Benefit may be *less than* the Maximum Savings Limit, depending on the terms of a patient's plan, and *may vary among individual patients covered by different plans*, based on factors determined solely by AstraZeneca, to ensure all program funds are used for the benefit of the patient. Each patient is responsible for costs above the Patient Total Program Benefit amounts.
